No Pet Left Behind

Our No Pet Left Behind crisis foster care program provides temporary safe care for pets of individuals who are in crisis, including escaping violence—creating safety for people and their pets.

Shelter Diversion

Providing crisis foster care not only helps to keep families together, but it diverts animals from shelters and makes space in animal shelters for animals who are truly homeless.

Better Together

Better Together provides emotional and financial support to people caring for their pets in the community and aims to keep loved pets at home and out of the shelter and rescue system. Better Together provides a range of supports.

- » Veterinary care support.
- » Pet care needs, such as pet food and supplies.
- » Municipal pet licensing support.
- » Connecting people with social service support.
- » Supporting people through pet end-of-life decisions and grief.
